

Scheduling FAQs

How far in advance should I schedule my visit?

Visits fill up quickly, so we recommend that you schedule at least 2-3 weeks in advance.

There are no available sessions on the day I want to visit. What should I do?

Don't let that stop you from visiting campus! If the formal visit program isn't available when you are, consider taking a self-guided tour instead. Our [downloadable map](<https://campusvisit.osu.edu/WalkingTour.pdf>) will help you find your way.

Can my parents come with me?

Yes -- in fact, we encourage them to come! Just be sure to count your guests in the total group size when you schedule your visit.

Why did an error message appear when I tried to schedule my visit?

You might have missed one of the required fields. Try scheduling again and be sure all of the required fields are answered. If you need help, call us at 614-292-3980.

Can I meet with an academic department while I'm on campus?

As you schedule your visit, you'll be asked to choose an "area of interest." Based on your answer, the calendar will display the relevant admissions visits and academic sessions. Several academic departments hold group information sessions -- but these sessions are offered on a limited basis and fill up quickly, so it's best to schedule at least 2-3 weeks in advance.

Can I meet with a varsity coach during my visit?

Unfortunately, Undergraduate Admissions can't schedule athletic appointments. For more information on a specific sport, visit [ohiostatebuckeyes.com](<http://ohiostatebuckeyes.com>).

Can I eat at a campus dining facility during my tour?

Yes! All campus dining locations accept cash, credit cards and student dining plans. For a list of locations and menus, visit [food.osu.edu](<http://food.osu.edu>) or ask our visit staff for recommendations.

Where should I park?

If you've registered for an event, you can expect detailed parking information in your confirmation email. Otherwise, there are [garages all over campus](<http://osu.campusparc.com/home/visitors-patients/visitor-parking/garage-parking>).

Can I sign up for more than one visit?

Of course! Just be sure not to double book for the same visit. Please also keep in mind that, regardless of the time of year, the Admissions Overview and Tour conveys the same message and visits the same areas.
